

## **ANNUAL MEETING OF COUNCIL – 8<sup>TH</sup> MAY 2025**

**SUBJECT:            REVIEW OF POLITICAL BALANCE**

**REPORT BY:        DIRECTOR OF LEGAL, DEMOCRATIC SERVICES AND  
MONITORING OFFICER**

--

### **1.        PURPOSE OF REPORT**

- 1.1      To carry out a review of political balance across the authority and the allocation of seats to political groups in accordance with section 15 of the Local Government and Housing Act 1989.

### **2.        SUMMARY**

- 2.1      This report outlines the political balance of the authority.

### **3.        RECOMMENDATIONS**

- 3.1      That the Council notes the political balance as outlined in Appendix 1 and the general allocation of seats to the Committees in accordance with the political balance.

### **4.        REASONS FOR THE RECOMMENDATIONS**

- 4.1      In order to comply with statutory requirements to keep the political balance of the authority under review and to allocate seats on committees in accordance with that balance.

### **5.        THE REPORT**

- 5.1      Sections 15 to 17 of the Local Government and Housing Act 1989 (the 1989 Act) sets out requirements to ensure there is political balance on the

committees set out in this report.

5.2 The Council is required to review the political balance of its Committees and determine the allocation in accordance with the principles set out in Section 15 of the 1989 Act namely:-

- (a) Not all the seats on the body are allocated to the same political group.
- (b) That the majority of seats on the body are allocated to a particular political group if the number of people belonging to that group represents a majority of the council's membership.
- (c) Subject to those earlier rules the number of seats on the ordinary committees of the council allocated to each group bear the same proportion to the total of all seats allocated as is borne by the number of members of that group to the membership of the authority.
- (d) Subject to paragraphs (a) to (c) above, that the number of the seats on the body which are allocated to each political group bears the same proportion to the number of all the seats on that body as is borne by the number of members of that group to the membership of the authority.

5.3 In applying the political balance rules under Section 15 the Council has so far as is practicable allocated the seats according to the overall percentage that a party has of the total seats of the authority. However, it is impossible to obtain a perfect percentage balance on every committee and there are therefore two principles:-

- (i) The majority group must have the majority on any committee.
- (ii) That the overall allocation of seats is as close as possible to the overall percentage that a party holds on the council.

5.4 The composition of the Council is as follows

<b>Groups</b>	<b>Number of Councillors</b>	<b>Political Balance</b>
Labour	45	65%
Plaid Cymru	18	26%
