4 Suggestions by Committee Members

- 4.1 The work programme should be informed by the corporate priorities of the Council, the priorities of the relevant portfolio holders, and issues raised by our communities.
- 4.2 At previous meetings, the Committee and the Chair have suggested items for the Committee to consider at future meetings. These items have been programmed for the work programme for the year 2023/2024 included at the end of this report.

5 Scrutiny Panels

- 5.1 The Committee can form scrutiny panels to look at more specific areas under its remit. These are task-and-finish panels and should be established with clear terms of reference and target date to report back to the main Committee.
- 5.2 The Committee is constitutionally limited to one panel at a time, and co-ordination of Panels should be agreed by the Joint Chairs of Scrutiny Committee to ensure effective use and co-ordination of resources across all scrutiny committees.

5.3 Resources and Corporate Performance Scrutiny Committee does not currently have an operating Panel.
