District Management Committee**

Funding Application Form

Name of Tenants and Residents Association or group	Medway Court TRA
DMC area	Holborn
Contact for application (email/phone)	Sarah Friday [REDACTED]
Name of Project Walkway wall washing	
Project Category (building works, communal improvement, H&S/Security, grounds mtn/garden,	Communal improvement
Description of project Washing communal areas walls Per 8 floor. £520 each floor	
Why is the project needed and desired outcome? The walls are filthy, the popcorn finish (its like artex) on the walls means that grime gets trapped. The walls have not been painted since 2009. And were painted cream, so all the muck shows up. Because Medway Court is very close to the Euston Road there is a lot of pollution – and muck also comes from many of the construction sites that are nearby. Additionally, on some floors someone has spat or spilt coffee or some other dark liquid all up the wall. The washing of the walls should improve this, and this is a less costly and more environmentally friendly option than painting them.	

Equality Diversity & Inclusion (EDI)															
Will the project have a positive or negative impact on any of the protected characteristic groups below? It will improve the environment for all who live in Medway Court.															
sex	P	N	gender reassignment		P	N	disability	P	N	sexual orientation	P	N	Being pregnant	P	N
race	P	N	marital status	P	N	religion	P	N	age	P	N				
Funds held in TRA account															
Method of consultation						TRA meeting on 3 rd February. All residents were informed by a notice dropped through their door (notice also displayed in lifts, on noticeboards and sent via email) that at the meeting we would be discussing quotes for work to improve communal areas, which if agreed we would subsequently bid to DMC.									
Number of residents consulted						10									
Number of responses						10									
Summary of responses (those in favour and against) All in favour															
Council Officer Comments I am satisfied the TRA has explored their options for improving the appearance of the block, have given residents the opportunity to feed back on the proposals, and the option they have selected is the best value for money.															
Estimated cost of project						Quote 1 £4,992		Quote 2 £83,243		Quote 3					

		(for painting rather than jet washing)
