

Camden GCSE interventions evaluations Spring term 2025

11.3.25 Heads of RE Professional development afternoon with 5 teachers

6/6 for this afternoon was excellent

What was the best parts of this afternoon?

Ideas to boost profile of Religious Studies in my school

The access to resources on opportunities for enrichment and the time given to speak to other HoDs about how RE is delivered in the school. It also gave me some support with guiding a new RE teacher in my faculty.

I am going to do the following from today:

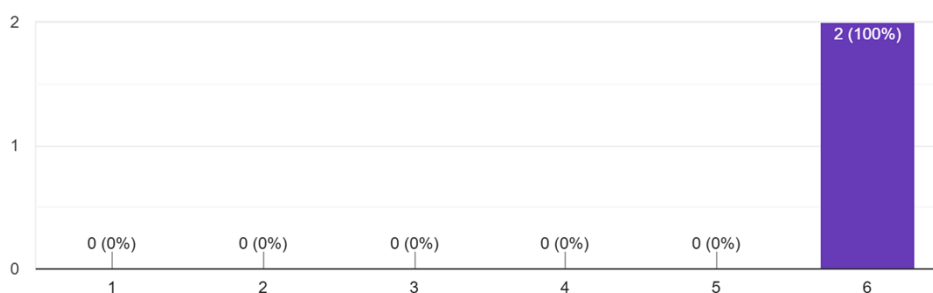

I have written a few things down such as events for interfaith week and some others that (right now where I am sat typing) I cannot remember but I have written down!

Consider English achievement when looking at RS; pass on RE resources to support its teaching at KS3 at RHS. Encourage my colleague to take part in the Camden CPD opportunities.
