Thanks Paru.

As I note Sarah Williams is away who was managing this file, I wanted to highlight and confirm with you ahead of the panel meeting with regards to the hours of our variations, as it was noted with licensing/ Sarah some issues regarding the online application form pre-populating incorrect hours and licensee information. And I didn't want this to be used as a point of reference in error.

For clarity:

The only changes to licensable activities (live music, recorded music & the retail sale of alcohol) is for 1 additional hour on Fridays & Saturdays (until 3:00am)

The only changes to opening hours is for 1 additional hour on Fridays & Saturdays (until 3:30am).

No other change of hours or change of hours of licensable activities, including start times / ends times are being changed and these are all to remain as per our existing premises licence.

I've attached our blue notice advertisement which summaries the changes requested. As noted, the variation of condition 30 has been retracted.

Kind regards,

Olivia Isbitt
