REPORT TITLE Update on provisional school exam results 2025	
REPORT OF Chief Executive Officer, Camden Learning	
FOR SUBMISSION TO Children, Schools and Families Scrutiny Committee	DATE 16 October 2025
SUMMARY OF REPORT <p>This report provides the committee with an early sight of the provisional school exam outcomes for the 2024-25 academic year for maintained schools in Camden. This includes Early Years, the Year 1 Phonics check, Key Stages 2, 4 and 5. Three-year trends against national averages are given where known.</p> <p>These outcomes are provisional, with final validated outcomes released later in the year. Because of this there is limited analysis on the performance of groups within headline data sets. This will be presented in detail, along with local and national comparators to the scrutiny committee in February 2026 when national validated data sets are released.</p> <p>This data set does not include end of Key Stage 1 (KS1) results as these are now non statutory, nor 2025 Key Stage 2 (KS2) progress scores as these are not available nationally due to the lack of KS1 outcomes in 2021. Progress 8 scores are also not available due to the absence of KS2 outcomes in 2020 that would be used as a baseline for this measure.</p> <p>The following document has been used in the preparation of this report:</p> <ul style="list-style-type: none"> • Department for Education validated data and statistical releases. <p>This report has been commissioned from Camden Learning by Camden Council</p> <p>Local Government Act 1972 - Access to information:</p> <p>No documents that require listing have been used in preparation of this report.</p> <p>CONTACT OFFICER:</p> <p>Stephen Hall, Chief Executive Officer, Camden Learning 5 Pancras Square, London N1C 4AG Stephen.Hall@camdenlearning.org.uk / 020 7974 1122</p>

1. Purpose of the report

This report is shared with the CSF annually, following the cycle of published school examinations data. It provides the committee with the 2025 Camden schools provisional early years foundation stage result, plus end of key stage results from Primary (Key Stage 2) and Secondary (Key Stage 4 & 5) that have been released during July/August 2025. These outcomes are provisional, with final validated outcomes released later in the year. There is currently limited analysis on the performance of groups within headline data sets or local and national averages. These will be presented in detail to the scrutiny committee in February 2026 when national validated data sets are released.
