Dear Sarah,

Thank you for your email and I hope you are well too.

Just to clarify, late night refreshment has been removed simply because the kitchen closes at 11pm. Customers will still be able to finish their meals and leave the premises by 00:00. The venue operates as a standard restaurant, so the previous licence no longer reflected the way the business is run.

In terms of entertainment, if any live music is offered, Friday and/or Saturday would be sufficient for the operator. Overall, the changes are intended to ensure the licence better matches the current operation of the premises.

I hope this helps, but please feel free to let me know if you need any further information.

Kind regards,

Dilek

The business model focuses on the use of the premises as a restaurant catering for seated patrons.

Advisory note to applicant

The Licence Holder is advised that they can still take further precautions (not conditioned) during the deregulated periods before 11pm, as part of their best practice to ensure minimal impact on surrounding premises. Example of this is to use an effective sound limiting device should activities be hosted in the deregulated period. The Licensee should note that noise disturbance can still result in complaints being made and investigation and enforcement via other statutory powers apart from those under the Licensing provisions. Should issues arise during the deregulated period the licence could be considered for a licence review.

I have attached the emails and conditions offer by the applicant for ease of reference. Conditions will be subject to the consideration and wording of the licence panel should a panel be held.

In terms of the Environmental Health representation made and 16 conditions proposed to the applicant, the applicant has since changed the regulated activities and timing which reflects the conditions going forward.

The applicant requested the removal of proposed EH conditions 7,10 , 11,12 in an earlier email as they sought less licensable activities.

CONDITIONS

1. The timing and hours of use of the front external area are agreed as per the attached “amended hours and conditions”.
 - Outside seating area shall be closed at 21:00 in colder months (from September to February), and no drinks shall be taken outside and/or seating area after 21:00. Maximum 5 people shall be permitted to smoke at any one time after 21:00

All deliveries and collection to take place between 0800 to 2000hrs. Sundays 10.00 to 20.00hrs

3. Trade waste, recycling and glass collections agreed.

12. Loud speakers siting - Not applicable due to change in activities. Best Practice only.

Dear Lee,

Please find attached the updated hours and conditions for your review.

As explained previously, there are **no licensable activities other than alcohol** - no live music, no recorded music, no late night refreshment, and no form of regulated entertainment.

For that reason, I do not intend to add conditions regarding last food orders and/or kitchen closing time, last booking time or similar operational details, as these matters do not require licensing and customers may order food as take-away up to 23:00 hours without any licensing implications.

Nevertheless, I have already provided the necessary clarification in my earlier email, and as noted, the combined capacity of both restaurant areas is only 170 persons, which is well below the 500-person threshold referenced under the Licensing Act.

The premises will operate as a standard restaurant.

Thanks & Regards,

Dear Lee,

Just to explain the context a little more clearly:

At this stage we are trying to reach full agreement, and the hours we are proposing are already significantly lower than what the business initially wished for. Under normal circumstances, for a fine-dining restaurant, a 00:00 closing time on Fridays and Saturdays would be considered quite standard.

However, given the level of concern raised during this application, my client is accepting the reduced hours and will fully comply with them.

Even if soft live piano music were ever considered in the future, it would be entirely ancillary and—importantly—not licensable before 23:00, and also not licensable under 500 people in any case. The nature of such ambient background music in a dining setting is fundamentally different from the sound impact of a bar or club environment.

With last alcohol and food orders at 22:30, customers naturally finish around that time, and with the premises closing at 23:00, this ensures a very controlled and low-impact operation. The issues you referenced generally relate to activity after 23:00, which will not occur here.

Regarding capacities, the figures are as follows:

- Basement: 50
- Ground floor (46): 20
- New ground floor (44): 80
- External terrace: 20

Total capacity: 170 persons.

As for last bookings, there is no intention to take late reservations — 22:00 is entirely reasonable, and realistically we do not expect bookings even at that time.

I will incorporate all of the above into the revised draft of proposed conditions, which I will send next week as planned.

Kind regards,

Dilek

Thank you for that.

I know when I met the owner earlier this year there was mention of live music, which was likely to entail piano ancillary to the restaurant. This you may well undertake, its just get an idea of what to expect for customers attending, which is why I asked the question.

I think sometimes there is a confusion over the words “closing time”.

Those in hospitality refer to the kitchen closing. I think on reading that come might think the whole premises is closed at 23.00hrs.

You did mention

Just to clarify, late night refreshment has been removed simply because the kitchen closes at 11pm. Customers will still be able to finish their meals and leave the premises by 00:00. The venue operates as a standard restaurant, so the previous licence no longer reflected the way the business is run

So kitchen closes at 23.00hrs and then customers enjoy their meals up till 00.00, that is understandable.

Last time for bookings is when?

In terms of the premises capacities what does that now look like for the following areas.

Basement =

Ground floor at 46 =

New Ground floor at 44 =

External terrace =

I await your revised draft of proposed conditions.

Dear Lee,

Thank you for your email and for outlining the points in detail.

To clarify the amendments:

- My client is now proposing a 23:00 closing time every day, with last alcohol sales at 22:30.
- The premises will operate purely as a regular restaurant, offering only soft background music (which does not require a licence).
- There will be no late night refreshment, no live music, and no recorded music

licensable activity.

- Alcohol will be served strictly with food only.

Given these significant reductions, this application effectively reflects a standard restaurant operation. As this is already our second application, my client has faced considerable financial and emotional strain throughout this process. However, he is fully committed to ensuring a compliant and well-managed venue, and we genuinely do not believe the proposed hours or model will present any risk to the licensing objectives.

Of course, should any issues ever arise in the future, we trust that both the Police and the Licensing Authority will take the necessary steps as they see fit.

I will prepare a fully revised draft of the proposed licence conditions and send it over, but I kindly ask for a bit more time — I will be able to provide the updated document next week.

Kind regards,

Dilek

SUBJECT: Friendly Request to Reconsider Your Representation

Dear All,

I hope you are doing well.

Thank you for taking the time to submit your representation regarding Imperial's licence variation application.

After reviewing the points raised, we have decided to make a further adjustment to the proposed hours in order to reassure the community. We are now proposing the following reduced hours, which will apply every day:

- **Last alcohol sales: 22:30**
- **Closing time: 23:00**

No late night refreshment

No recorded/ live music

These hours are significantly shorter than those permitted under the existing licence.

We would also kindly note that “late night refreshment” applies only after 23:00, so our operation will not fall within late-night activity under these revised timings.

While we have also received support from several local residents, our aim is always to make sure nobody feels uncomfortable or negatively impacted. We want to be part of the neighbourhood in a positive and considerate way.

With these new reduced hours in place, we would be grateful if you might consider reviewing your representation, and if you feel comfortable, withdrawing it. However, we fully respect any decision you make.

Thank you again for your time and understanding.

Dear Licensing Team,

I am writing to express my support for the premises licence variation application for Imperial Restaurant.

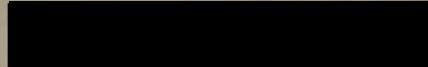

Imperial Restaurant operates as a regular, sit-down restaurant and should not be compared to a nightclub, late-night venue, or a public house. It is not a venue associated with excessive drinking or disorderly behaviour.

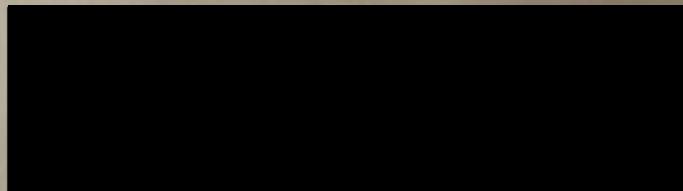

The business has been serving the local area for many years as a well-established local restaurant and has not caused disturbance or nuisance to the surrounding neighbourhood. For these reasons, I fully support this long-standing local business and the application submitted.

Dear Sir,

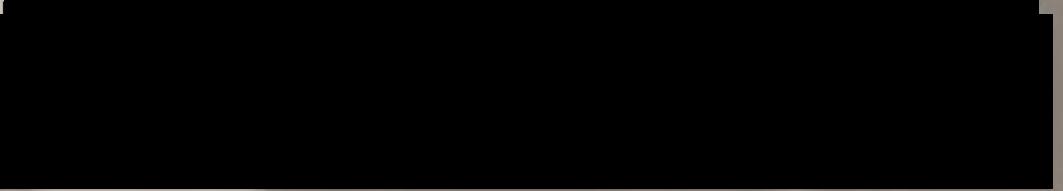

I have been a regular customer at the Imperial (formerly Vila Ronel) for over twelve years. It is a very friendly, small (extended) family-run restaurant and it has been a source of great pleasure to me to see the successive generations there grow to maturity and take their turns in the business. This has doubtless helped provide such a child-friendly environment for their customers as well. I feel privileged to be welcomed as an "honorary Albanian" by their regular customers and have always appreciated how those customers are quick to assist my elderly friends on their regular visits.

As a Camden license holder myself I have admired the way that on the very rare occasions (inevitable in any licensed premises) that trouble has started to raise its ugly head the staff on duty have dealt with matters with sensitivity, compassion and the ideal level of firmness to avoid any escalation.

The family themselves are amongst the kindest and gentlest people I know with a genuine investment in the local community and I feel personally affronted by suggestions that they are in some way a danger.

There is genuinely nobody I can think of who would be better suited to running the premises to the benefit of the local and wider community than the current owners.

Yours Sincerely,

Re: Application Reference APP\PREMISES-NEW\129119 – Imperial Bar, 44–46 Birchington Road, NW6 4LJ

We, the undersigned residents and members of the local community, are writing in support of the licensing application submitted by Imperial Bar & Restaurant, located at 44–46 Birchington Road.

Imperial Bar is a well-established, family-run business that has been serving this neighbourhood for over 15 years without any history of complaints, public nuisance, or disorder. The current licence application simply aims to extend the existing licence to include the adjoining premises, which has been recently integrated into the restaurant space. There is no proposed change to the nature or character of the business.

We support this application for the following reasons:

- **Proven Track Record of Responsible Operation:** Imperial Bar has operated responsibly and peacefully for over a decade, maintaining good relationships with neighbours and ensuring the premises remain safe, respectful, and community-friendly.
- **No History of Complaints or Disturbances:** In all these years, there has been no evidence of noise complaints or anti-social behaviour associated with the venue. The management has consistently demonstrated a commitment to operating within legal and community standards.
- **Minimal Change – Same Business, Same Standards:** The application does not seek to open a nightclub or substantially change operations. It merely reflects a structural expansion, requiring the licence to cover the new, adjacent unit. Opening hours and usage remain consistent with the current, approved operation.
- **Valuable Community Hub:** Imperial Bar is a welcoming and inclusive venue for local families, friends, and professionals. It contributes positively to the area's sense of community and local economy.

We trust Camden Council will take into account the business's excellent track record and the continued support of its neighbours.

Sincerely,

Local Residents Supporting the Application

Details of representation

#1 I am concerned that following previous incidents of fights and drunken behaviour the licence should not be granted in order to prevent further incidents. #2 the safety of the residents in Birchington Road is

paramount. This is a residential street and residents should feel safe and be able to sleep at night. Currently this is not the case. We are all feeling intimidated by the bar staff and security and feel uncomfortable with groups of men standing outside watching us as we leave and enter our homes. To add to this they all park on double yellow lines filling up the road and often blocking other cars and taking up residents parking. Colas mews is often blocked by their cars which then leads to vehicles wanting to enter the mews then sounding their horns. #3 Since the bar was opened many years ago it has caused distress to residents as clients often come out drunk and disorderly. There have been a number of fights and the constant noise late at night including shouting, young children screaming, customers turning up the volume in their cars is making it impossible for residents to have a peaceful life. We all work and have to get up in the morning and many times this has prevented us from having a peaceful night's sleep. #4 extremely young children attend the bar with their parents and are there until late. They are left to run up and down the street screaming and often run on the road. This is not a good environment for children and also to be witnessing fights and being in the vicinity at a young age is unacceptable.

I don't want to be targeted or harassed by anyone in making this representation.

Grounds of representation

- prevention of crime and disorder
- ensuring public safety
- prevention of public nuisance
- protection of children from harm

Details of representation

1. Sale of drugs and anti-social behaviour, Breaches of Existing Licence Conditions and men urinating in front gardens. 2. Large vehicles being parked along this narrow, residential street. The resulting congestion makes it difficult for residents to find parking

during the day and the evening, also difficult to cross undermining safety. 3. Birchington Road is a peaceful residential street of Victorian terraced houses. The establishment of a bar/restaurant has significantly disrupted the peace and character of the area. The proposed licensing hours and alcohol service are incompatible with the residential nature of the neighbourhood. The late-night noise levels are unacceptable and disrupts sleep and overall health of residents, especially ones with high blood pressure. There is a lot of shouting, laughing, cars starting, doors slamming and music from cars going on until 2AM, sometimes later into the night. The neon lights are also very bright and annoying and give out so much light and attracts more anti-social behaviour. 4. I hear children playing on the street and running up and down making a lot of noise, very disturbing when I'm lying in bed listening to children so late in the night and where there is other anti-social behaviour going on. Detail the exceptional circumstances

I'm worried about potential repercussions from the owners and some of the customers at Imperial Restaurant and Bar. They are intimidating.

Grounds of representation

- prevention of crime and disorder
- ensuring public safety
- prevention of public nuisance
- protection of children from harm

Details of representation

1. I've seen people selling drugs and occasional fights over money and anti-social behaviour
2. Oversized cars are frequently parked and maneuvered along

the small residential road, and groups of men commonly congregate outside Imperial Restaurant and Bar. 3. Customers often leave the venue drunk and disorderly between 1 and 2 AM, and sometimes even later. There have been instances of men urinating in front gardens, causing significant distress to residents. The noise outside Imperial Restaurant is very loud, there is frequent shouting, and customers' children play in the street, screaming, shouting, and laughing. Car doors slam, and music from parked cars is also highly disruptive. On some nights, when there are large gatherings or parties, I am unable to sleep until 3 AM. This situation is unacceptable, and they are already violating their existing licence conditions, let alone any new ones. They have also expanded the outdoor area, leading to larger crowds and increased noise. A license should not be granted past 8 PM. 4. Children run along the street yelling and screaming, which is unsafe given the nearby anti-social behaviour and drug dealing, and it creates a great deal of noise which is annoying and very frustrating, my blood pressure rises and my health is being affected.

17 November 2025

Dear Sirs,

Application reference APP\PREMISES-VARY\131793
Licence reference: PREM-LIC13851
Premises name: Imperial Restaurant Bar
Premises address: 44-46 Birchington Road NW6 4LJ
Status Under Consultation (Last Date of Representation: 18/11/2025

We, the undersigned, are objecting to the application for a new premises licence to permit live music, recorded music, performance of dance and late-night refreshment and the sale of alcohol during certain hours [the Application] Imperial Bar and Restaurant at [the Property] 44–46, Birchington Road, London, NW6 4LJ.

On 10 June 2016 a licence was granted relating to 46 Birchington Road, as follows: –

Supply of alcohol [for consumption on the premises]

10.00-22.30 Monday to Thursday.
10.00-00.00 Friday and Saturday.
11.00-22.30 Sunday

Basement area only.

Live music.

Recorded music

Performances of dance.

Anything similar to live music, recorded music, or performances of dance

15.00-22.30 Thursday.
15.00-00.00 Friday and Saturday.

Ground floor and basement

Late night refreshment.

23.00-00.00 Friday and Saturday

Numerous conditions were imposed

As anticipated, when the above licence was being considered, the applicant has ignored the conditions which were set out, has frequently breached them and failed to comply with them. The above licence has led to drunken behavior in Birchington Road with customers, noisily and drunkenly, leaving the Property late at night into the early hours of the morning, usually 1 AM - 2 AM, and to the intolerable actions of men urinating in the front gardens. The night activity is getting more frequent with noisy customers on the decking. The applicant has neither any respect for the residents of Birchington Road nor for the conditions of the existing licence. Formal complaints have been made to the Noise Team officer (recently there has been construction work to expand the property so was quiet, but this has now started again, big party on 14/15 November 2025) but there has been no change in behavior. Considering that the applicant has not complied with the existing licence conditions, should the Council be minded to grant the current application subject to conditions there is a little hope of the applicant complying.

The current application is made in respect of 44-46 Birchington Road and, presumably, should the licence be granted it will not supersede the existing licence but will overlap with it. Whatever the position these hours and the licence to sell alcohol are totally unacceptable and incompatible with the residential use of Birchington Road. Should the licence be granted there must be a real and present danger of these opening hours being treated with contempt by the applicant.

Should the application for the new licence be granted it will only cause even more noise, nuisance, disruption, disturbance, and congestion in such a confined space. Already we residents have experienced and continue to suffer late night noise, disruption, fights, disturbance, and anti-social behavior from customers at the Property especially in the warm summer season which the applicant appears to do nothing to quell. Outside dining and drinking is exacerbating the situation and is leading to even more noise and nuisance to the detriment of the inhabitants of Birchington Road.

We also wish to formally object to the licensing of the proposed bar/restaurant on the grounds of its negative impact on residential parking. The establishment's owners and patrons regularly use large cars, which frequently occupy limited on-street parking spaces along our small residential road. This has made it increasingly difficult for residents to find suitable parking during the day and has caused considerable inconvenience. The ongoing strain on parking is not sustainable and will only worsen with the approval of this license in the evening.

Birchington Road is a quiet residential street of Victorian, terraced houses, the tranquility, peace and quiet of which has been shattered by the addition of this bar and restaurant established at the Property. As such, the peace and tranquility of this attractive oasis in a bustling part of vibrant London must not be lost, and the Council must do everything in its power to preserve the integrity of this community.

We have no confidence given the applicant's current behavior that any conditions or limitations in any licence to curb abuses would be observed and we urge the Council to refuse the

application. It is for the above reasons that we, the undersigned, object to the current application.

Kind regards

Annex 1 - Mandatory conditions

1. The supply of alcohol is prohibited at a time when there is no designated premises supervisor in respect of the premises.
2. The supply of alcohol is prohibited at a time when the designated premises supervisor does not hold a personal licence or his/her licence is suspended.
3. Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.
4. Where a premises licence includes a condition that at specified times one or more individuals must be at the premises to carry out a security activity, the licence must include a condition that each such individual must
 - (a) be authorised to carry out that activity by a licence granted under the Private Security Industry Act 2001; or
 - (b) be entitled to carry out that activity by virtue of section 4 of that Act.
5. But nothing in subsection (4) requires such a condition to be imposed -
 - (a) in respect of premises within paragraph 8(3)(a) of Schedule 2 to the Private Security Industry Act 2001 (c. 12) (premises with premises licences authorising plays or films), or
 - (b) in respect of premises in relation to -
 - (i) any occasion mentioned in paragraph 8(3)(b) or (c) of that Schedule (premises being used exclusively by club with club premises certificate, under a temporary event notice authorising plays or films or under a gaming licence), or
 - (ii) any occasion within paragraph 8(3)(d) of that Schedule (occasions prescribed by regulations under that Act).
6. For the purposes of this section
 - (a) “security activity” means an activity to which paragraph 2(1)(a) of that Schedule applies[and which is licensable conduct for the purposes of that Act (see section 3(2) of that Act)], and
 - (b) paragraph 8(5) of that Schedule (interpretation of references to an occasion) applies as it applies in relation to paragraph 8 of that Schedule.
7. (1) The responsible person must ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.
 - (2) In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the

premises

(a) games or other activities which require or encourage, or are designed to require or encourage, individuals to

(i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or

(ii) drink as much alcohol as possible (whether within a time limit or otherwise);

(b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic in a manner which carries a significant risk of undermining a licensing objective;

(c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less in a manner which carries a significant risk of undermining a licensing objective;

(d) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner;

(e) dispensing alcohol directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of disability).

8. The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.
9.
 - (1) The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.
 - (2) The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.
 - (3) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either

(a) a holographic mark, or

(b) an ultraviolet feature.

10. The responsible person must ensure that

(c) where a customer does not in relation to a sale of alcohol specify the quantity of alcohol to be sold, the customer is made aware that these measures are available.

11. A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.

13. Where the permitted price given by Paragraph (b) of 12 above would (apart from this paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.

14. (1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day ("the first day") would be different from the permitted price on the next day ("the second day") as a result of a change to the rate of duty or value added tax.

This shall be completed as soon as possible and in any case no later than the close of business on the day of the incident, the time and date when the report was completed and by whom, is to form part of the entry.
32. The logbook shall be kept on the premises at all times and shall be produced to an authorised officer of the Licensing Authority or a constable when required.
33. Signs stating that children shall be accompanied by an adult shall be prominently displayed on the premises.

Section 1: Background comments of the Borough Solicitor

- 1.1 The purpose of Camden's Statement of Licensing Policy is to make it clear to applicants that wider considerations will be taken into account when determining applications. It is intended to guide the Licensing Panel when considering licence applications. However, the Licensing Panel must always consider each application on its own merits and allow exceptions to the normal policy where the circumstances of the application justify allowing an exception. The burden is on the applicant to show that they comply with the policy.
- 1.2 Members should only address those matters that have formed the subject matter of relevant representations. Matters that arise that are not the subject of relevant representations fall outside the function that the Panel is exercising when it holds a hearing
- 1.3 Members must determine, having regard for the evidence, whether granting the application for a premises licence will impact adversely on the policy criteria listed in paragraph 3 of this report.
- 1.4 In accordance with the provisions of Part 1 of Schedule 5 of the Act, where a Licensing Authority rejects in whole or in part, an application for a new premises licence, the applicant may appeal against the decision, to a magistrate's court within 21 days of being notified of the decision.
- 1.5 Similarly, where a person who made relevant representations in relation to the application contends that the licence ought not to have been granted, or that different or additional conditions should have been imposed on the licence, he may appeal against the decision to a magistrate's court within 21 days of being notified of the decision.
- 1.6 **The Human Rights Act 1998** incorporates the key articles of the European Convention on Human Rights into domestic law. Decisions on licensing matters are actions of a public authority and must be compatible with Convention rights. Consequently, Members of the Panel must be aware of the rights contained in the Convention (particularly those set out below) when making licensing decisions.
 - (a) **Article 6: Right to a fair trial**
In the determination of his civil rights and obligations, everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law.
 - (b) **Article 8: Right to respect for private and family life**
Everyone has a right to respect for his or her private life, his home and correspondence.

(c) Article 1 of the First Protocol: Protection of property

Every natural or legal person is entitled to the peaceful enjoyment of his possessions, including a licence. No one shall be deprived of his possession except in the public interest and subject to the conditions provided for by law and by the general principles of international law.

(d) Article 10: Freedom of Expression

Everyone has the right to freedom of expression. This right shall include freedom to hold opinions and to receive and impart information and ideas without interference by public authority and regardless of frontiers. This Article shall not prevent States from requiring the licensing of broadcasting, television or cinema enterprises.

The exercise of these freedoms since it carries with it duties and responsibilities may be subject to such formalities, conditions, restrictions or penalties as are prescribed by law and are necessary in a democratic society, in the interests of national security, territorial integrity or public safety, for the prevention of disorder or crime, for the protection of health and morals, for the protection of the reputation or rights of others, for preventing the disclosure of information received in confidence, or for maintaining the authority and impartiality of the judiciary.

(e) Article 14: Prohibition of discrimination

The enjoyment of the rights and freedoms set forth in this Convention shall be secured without discrimination on any ground such as sex, race, colour, language, religion, political or other opinion, national or social origin, association with a national minority, property, birth, or other status.

1.7 When formulating policy local authorities must have regard to the **Equality Act 2010**. The Act provides protection from discrimination in respect of certain protected characteristics, namely: age, disability, gender reassignment, pregnancy and maternity, race, religion or beliefs and sex and sexual orientation. It places the Council under a legal duty to have due regard to the advancement of equality in the exercise of its powers including licensing powers. Members of the panel must be mindful of this duty when determining all licensing applications.

The section 149 Public Sector Equality Duty

(1)A public authority must, in the exercise of its functions, have due regard to the need to—

- (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

(2) A person who is not a public authority but who exercises public functions must, in the exercise of those functions, have due regard to the matters mentioned in subsection (1).

(3) Having due regard to the need to advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it involves having due regard, in particular, to the need to—

- (a) remove or minimise disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic;
- (b) take steps to meet the needs of persons who share a relevant protected characteristic that are different from the needs of persons who do not share it;
- (c) encourage persons who share a relevant protected characteristic to participate in public life or in any other activity in which participation by such persons is disproportionately low.

(4) The steps involved in meeting the needs of disabled persons that are different from the needs of persons who are not disabled include, in particular, steps to take account of disabled persons' disabilities.

(5) Having due regard to the need to foster good relations between persons who share a relevant protected characteristic and persons who do not share it involves having due regard, in particular, to the need to—

- (a) tackle prejudice, and
- (b) promote understanding.

(6) Compliance with the duties in this section may involve treating some persons more favourably than others; but that is not to be taken as permitting conduct that would otherwise be prohibited by or under this Act.

1.8 In determining any application, the Council must comply with the public sector equality duty in s.149 of the 2010 Act. This is a duty to have regard to the need to achieve the statutory goals of s.149, rather than to achieve a particular result. The s149 duty sits alongside and does not override statutory requirements in relation to determining licensing applications, including the duty to consider all evidence on its merits and the legislative criteria listed at paragraphs 3 & 4.

1.9 When members have before them representations or other material on issues relevant to s149, even outside the scope of "standard" licensing considerations such material must still be specifically assessed in the context of s149. However, because s149 creates a requirement to "have regard" the fact a matter raised is relevant to s149 will not automatically translate into a reason for refusing an application that would be sustainable in any subsequent appeal, given the legal requirement to determine applications in compliance with licensing legislation.

Section 2: Financial Comments

- 2.1 Following consideration there are no financial implications concerning this application. The Executive Director Corporate Services has been consulted in the preparation of this report and has no further comments to add.
