

## Determination Application: Federation Plan for Collective Worship

### **Overview**

*The school provides inclusive, non-denominational collective worship under a Determination granted by SACRE in accordance with the School Standards and Framework Act 1998. Assemblies promote spiritual, moral, social, and cultural development, integrating school values and UNCRC rights. The programme celebrates diversity, equality, global awareness, and community participation. Assemblies include opportunities for reflection, discussion, storytelling, music and moments of calm or silence appropriate to the age of pupils. Materials may draw on a range of religious and non-religious traditions, festivals, ethical teachings and lived experiences represented within the school community. Pupils are encouraged to participate respectfully, reflect on shared values and consider their responsibilities towards others and the wider world.*
