Michael King (MK) Lead Analyst (Environment), GMCA

Nick Leslie (NL) Head of Climate Action Now, Stockport Council

Garry Parker (GP) Assistant Director - Environment and Regulatory

Services, Bolton Council

James Shuttleworth (JS) Head of Planning, Salford City Council

Robyn Smith (RS) Project Manager, Environment and Low Carbon,

GMCA

Steven Westcott (SW) Environment Programme Manager, GMCA

Minute No	Resolutions (Blue = Link to Livestream)	Responsible
GC/57/25	Appointment of Chair for the 2025/26 Municipal Year	
	To note the appointment of Councillor Tom Ross, Portfolio	Noted
	Leader as Chair and Sue Johnson as Portfolio Lead Chief	
	Executive for the Green City Region Partnership and	
	Board.	
GC/58/25	Appointment of Vice-Chair for the 2025/26	
	Municipal Year	
	That Councillor Mike McCusker, Salford City Council be	Appointed
	appointed as Vice-Chair for the Green City Region	
	Partnership and Board.	
GC/59/25	Terms of Reference and Schedule of Meetings for the	
	Green City Region Board	
	a) That the Board's Terms of Reference and governance	Approved
	structure be approved and adopted.	
	b) Councillor Jake Austin (Stockport) was welcomed,	
	replacing Councillor Mark Roberts, who was thanked for	
	his contributions.	

GC/60/25	Terms of Reference and Schedule of Meetings for the	
	Green City Region Partnership	
	a) That the name of the Green City Region Partnership be	Approved
	changed to the Greater Manchester 5YEP Partnership.	
	b) That the revised Terms of Reference and governance	Approved
	structure of the GM 5YEP Partnership for the 2025/26	
	municipal year including the Chair and Vice-Chair	
	arrangements for the Challenge Groups (Annex 01) to	
	approved.	
	c) That the appointment of Pete Emery to the Partnership	Approved
	and note that further appointments (political and private	
	sector) were likely to be made to represent the new	
	Challenge Group Structure be approved.	
	d) That it be clarified how wider stakeholders could input	RS
	into transport work and this be reflected in the	
	governance structure.	
	e) That thought be given to a direct, two-way relationship	RS
	between Key Influencer groups and the 5YEP	
	Partnership by ensuring regular updates, shared annual	
	plans, and standing agenda items (Green City Region	
	Stakeholder Briefing) to support integration and mutual	
	challenge.	
	f) That consideration be given to Mayoral Development	MA/LM
	Corporations role within the 5YEP governance structure	
	and if mapping work was required.	
	g) That stakeholder mapping be undertaken to identify	RS/LB
	gaps, and consideration be given to effective	
	approaches for reaching out to those stakeholders via	
	the Communications Challenge Group.	
GC/61/25	Introductions, Welcome and Apologies	Noted
	Apologies for absence were received and noted from	
	Jessica Bowles, Ian Crewe, Mark Easdale, Richard Halsey,	
	Claire Igoe, Paul Killilea, Phil Korbel, Hayley Lever, Chris	
	Matthews, Councillor Mike McCusker, Liz Price and Anne	
	Selby.	
	-	

GC/62/25	Chair's Announcements and Urgent Business	
	a) The Chair's update around Greater Manchester being	Noted
	named on the Cities A List for climate action, Nature	
	Towns and Cities funding, and the Community Solar	
	Share offer was noted.	
	b) MA to explore the potential to extend the community	MA
	solar share offer to households and community finance.	
GC/63/25	Declarations of Interest	
	Councillor Alan Quinn declared a personal interest in Item	Noted
	11 – Quarter 1 Progress Report by virtue of him being a	
	City of Trees Interim Board Member and a Member of the	
	North West Rivers Floods and Coastal Committee.	
GCP/64/25	To Approve the Minutes of the last Green City Region	
	Board meeting on 17.4.25	
	That the minutes of the last meeting dated 17.4.25 be	Completed
	updated and circulated to Board Members following the	
	meeting.	
GCP/65/25	To approve the Minutes of the last Green City	
	Partnership meeting held on 3.4.25	
	That the minutes of the last meeting dated 3.4.25 be	Approved
	approved and adopted.	
	Review of Actions:	
	37h) a matrix of Planning Policy across the Local	Complete
	Planning Authorities (LPAs) on electric vehicle (EV)	
	charging, rooftop solar and a PfE perspective be	
	provided by MB/DD to DG.	
	47c) that the renewable energy research studies be	Completed
	considered at the meeting on 10.10.25.	
	47d) that the Partnership success videos were available	Complete
	on the <u>Green City website.</u>	
	47h) a deliverable in the Live Well master plan was in	Complete
	place around Live Well funding and green social	
	prescribing initiatives	
	prescribing initiatives	

buildings, beavers for flood control and electric buses be made mandatory in local plans to tackle climate change. • 48e) that the GMCA and LAs develop cool spaces as part of the 5YEP. Community engagement had been identified by the 5YEP Forum as an area for further work. • 48g) that updates for the Greater Manchester Green and Blue Spaces Action Network be considered at the meeting on 10.10.25. • 51b) to help Members communicate with politicians and other key decision makers an Integrated Water Management Plan (IWMP) and a communications strategy was being developed. • 51c) that a District map of in the IWMP – Business Plan be shared. • 51d) that the list of IWMP schemes mentioned in the report be shared and the need to raise public awareness be considered. • 51e) the idea of projects for capturing excess rainwater for use during droughts was being promoted by United Utilities (UU), The WINEP Programme Programme was also progressing new opportunities to support rainwater harvesting and storage initiatives. GCP/67/25 SYEP First Year Delivery and Challenge Group Updates a) That the progress in developing the Mission Based Approach and the associated Challenge Groups be noted. b) That MB provide SA with information on how publicly funded buses would be used to improve service in areas of the community that were currently least well		48d) that the Environment Team consider how green	RS
