Appendix 2

Items for Potential Inclusion in the Work Programme

Ref	Item	Suggested	Lead
1.	Regular updates on the Sustainability Plan and local Sustainability Plans	Paul Lynch, Director of Strategy & Planning, NHS GM	Localities to have developed their plan Suggested by Committee on 15.10.24.
2.	Co-occurring Conditions	Mark Knight, Strategic Lead for Substance Misuse, GMCA	Report being considered by NHS GM Executive in July 2025. Upon confirmation of the progression of this matter, Officers will be in a position to determine the most appropriate items to present to the Committee.
3.	Safe and Sustainable Specialised Services for Babies and Children (re-named) Engagement followed by possible consultation	TBC	Options appraisal being prepared. The NW Women & Children's Transformation programme aimed to translate several national reviews and associated standards related to Neonatal Critical Care; Paediatric Critical Care; Surgery in Children; and Children and Young People with cancer into an operational plan for the North west.

4.	Single Improvement Plan and Sustainable Finance	TBC	That an update be provided to a future meeting. Asked by Committee on 21.1.25.
5.	Specialist weight management Engagement followed by possible consultation	Claire Connor, Associate Director, NHS GM	The tier 3 specialist weight management service supports people living with very high BMI. There are currently difference service levels across GM. NICE guidance is also due out in Spring 2024 that may influence this work, so at this time, the engagement is focussing on areas with the least access and specific socio-demographic target groups. Date due to be considered by the Committee – Spring 2025 (TBC)
6.	Items suggested by Members – to be developed by the Chair and the Statutory Scrutiny Officer and Deputy Head of Governance and Scrutiny, GMCA	Various NHS GM Officers	- Functional neurological disorder (FND). - Assisted dying and palliative care. - Address accessibility by postcode boundaries. - Expansion of self-referral pathways. - Midwifery and baby services. - Women's health and inequalities. - Men's and women's life expectancy and healthy life expectancy. . - The potential of using blood groups for targeted diabetes engagement.

10.	Briefing Session – Health Inequalities and Outcomes	• TBA	• Suggested at Work Programming Session on 27.8.25. To benchmark health inequalities in GM, including changes over time and post-pandemic trends and comparing GM's health outcomes with similar areas to identify effective practices, considering factors such as access to healthy food and exercise opportunities.
11.	Brain Surgery and Transplant Services	• TBA	• Suggested at Work Programming Session on 27.8.25
12.	Procedures of Limited Clinical Value	• Sara Roscoe, and Claire Connor, NHS GM	• That Sara Roscoe returns to the Committee to provide engagement outcomes and how they influence policy. Added by Committee on 16.9.25. • That an update on the role of the VCFSE sector be provided in the report. • That Officers share the full equalities impact assessment with the Committee once published.
13.	Elective Care Waiting Lists	• Dan Gordon, Programme Director, Elective Recovery & Reform, NHS GM	• Requested at Committee on 16.9.25.
