Equalities Impact, Carbon and Sustainability Assessment:

A full Equality Impact Assessment was produced for the Greater Manchester 'Standing Together' Police and Crime Plan which this annual report sits within. The priorities and commitments in the Plan were developed taking specific account of the EIA. Updates on equality actions are included within this report.

Risk Management

Should the priorities and commitments in the Plan not be achieved or progressed there is a risk of increased harm to individual citizens and our communities and indeed their perception of community safety. This itself poses further risks to overall ambitions of Greater Manchester for its citizens and communities. Scrutiny by the Panel is one mechanism of monitoring progress, but this is supplemented by performance management mechanisms within GMCA and relevant partner agencies that continually monitors the progress of the Plan and which can dictate mitigating action, where necessary.
