

Greater Manchester Joint Health Scrutiny Committee

Date: 17 March 2026

Subject: NHS Greater Manchester Care Quality Commission
(CQC) Inspections and Quality Oversight

Report of: Anita Rolfe, Deputy Chief Nursing Officer, NHS Greater Manchester

Purpose of Report

The presentation gives Members an overview of NHS Greater Manchester's quality oversight arrangements and the latest Care Quality Commission (CQC) position across providers in Greater Manchester. It explains how NHS Greater Manchester monitors quality, how CQC intelligence feeds into local assurance processes, and it also summarises current ratings and recent inspection findings for acute, mental health, community, dental and independent providers.

Recommendation:

Members are asked to note the current CQC ratings and recent inspection outcomes for Greater Manchester Trusts.
