

DC/25/70663

List of Conditions

- i) The development must conform with the terms of and the plans accompanying the application for permission and must remain in conformity with such terms and plans, save as may be otherwise required by (any of) the following condition(s), or approved amendment(s).
- ii) The development must be begun not later than the expiration of 3 years from the date of this permission and before the development commences, a Commencement Notice must be submitted.
- iii) The external materials used in the development hereby permitted shall match in colour, form and texture those of the existing building unless otherwise agreed in writing by the local planning authority.
- iv) Before the development is commenced, including any works of demolition or site preparation, a construction environmental management plan shall be submitted to and approved in writing by the local planning authority. The statement shall provide for: the parking of vehicles of site operatives and visitors; loading and unloading of plant and materials; storage of plant and materials used in constructing the development; measures to control the emission of dust and dirt during demolition and construction; a scheme for recycling/disposing of waste resulting from demolition and construction works; delivery, demolition and construction working hours. The approved construction method statement shall be adhered to throughout the construction period for the development.
