

Slough SACRE Extra Meeting 1/7/26

Please put some thought to these questions *beforehand* and *come prepared to contribute* to the discussion.

We will use flip charts to arrive at a brief statement for each question below (apart from the first, from which we might collate a selection of statements).

If you are unable to attend in person, please will you respond to each of the questions below and submit via email to ALL SACRE MEMBERS by Friday 26th June. It is absolutely critical that we all contribute to this.

It would be good to have a statement about SACRE that we can share with schools, the BC and the public.
